* Analysis Cohort = students who attempt at least 18 hours within two years of matriculation

** Successful or Still Enrolled is defined as students who complete at least 30 credit hours with a GPA of 2.00 or better, who have transferred or who are still enrolled at the institution

+ Allegany data is obtained from sources not including the National Student Clearinghouse.

++ Baltimore County is not able to identify categories of students (i.e. college-ready, developmental completers and developmental non-completers) for the 2000 cohort, but is developing reporting capability for later years

+++ Totals reflect summation of cohort data as reported by the colleges, and derived percentages based solely on the reporting institutions. These may provide an "indication" or estimate of the statewide community college success levels, but should not be relied upon as a completely accurate measure at the statewide level.
